Getting To Siboya Bungalows:

What to do when you arrive at the Krabi airport...

- 1) If you have pre-arranged... You can go straight to Siboya Bungalows.
 - ** Please be sure to make prior arrangements when booking if you want transportation to meet you at the airport and taken to Siboya Bungalows (cost 1000 baht for 1 or 2 persons)
 - ** You will go by private car from the airport to Laem Hin, then a walk on private long-tail ferry will take you (10 min) across to Laem Soma on Ko Siboya. Here a truck will meet you to take you to the Bungalows.

- 2) If you arrive in Krabi Town and want to go to Siboya Bungalows on your own, you should go to the Siboya Office in Krabi town. (See map on website)
 - ** Tell the staff which songtaew (local bus) you want to take to Siboya Bungalows. They leave three times daily to Laem Hin (11:00am, 1:00pm and 4:00pm). The one way cost is 100 baht/pp. The trip to Laem Hin will take about an hour.
 - ** From Laem Hin there is always a public walk on long-tail ferry to take you across to Laem Soma on Ko Siboya. (no schedule... they go when they have passengers) The cost should be about 20-40 baht/pp.
 - ** If you told the people at the office in Krabi... a truck should meet you on the other side to take you to the 10 Km Siboya Bungalows (50 baht/pp).
 - ** If you arrive here on your own (without going into Krabi) then you will have to find someone with a cell phone to call the Bungalows or hitch-hike on a motor cycle... the local residents on Ko Siboya are very friendly, just ask... and don't forget to tip!
